LAST GAME BEFORE FIELD DAY THIS AFTERNOON.

The last game of base ball on the local field prior to field day will be this afternoon with Lawton. It will not be a strictly high school game as several outside players will participate on both teams. It will give the boys splendid practice however for the big game on field day. It is definitely settled now that the opposing teams will be Paw Paw and Bangor. Bangor has a mighty strong team, and our boys realize that they will have to be at their best to "Bring home the Bacon." Turn out everybody this afternoon and give the boys all the encouragement possible. The girls rooting club is alone worth the price of admission.

TIPPERARY PARODY.

Song now being sung by the boys on the battle ships.

It's a long way across the ocean
It's a long way we know
It's a long way across the ocean
But we surely have to go
So good bye friends and sweethearts
Good bye native land
For we will never see our flag insulted
By the foe on sea or land.

It's a long way across the ocean
But we hear our brothers cry
It's a long way across the ocean
But we'll get there by and by
Good bye friends and sweethearts
For we are a loyal band
And the land that rules this mighty nation
Will guide us safe to land.

"THE KAISER'S PRAYER."

Mine Gott, will you be mine pardner?
You don't know who I am?
I am the German Kaiser—
De Emperor Will-I-Yam.
You know I whipped the Belgians,
Und mit bullets filled Russia full;
Und I'll whip France and Italy,
Und I'll blow up Johnny Bull.
Now all dem other nations
I don't give a ———
If you just be mine pardner
Und whip dot Unkle Sam.
You know I got dem submarines,
All Europe knows dot well!
But dot Edison got a patent now
Vot blows them all to hell.
Now, Gott, if you will do this,
Den you, I will always love;
Und I will be Emperor of de earth,
Und you be Emperor above.
But, Gott, if you refuse me dis,
Tomorrow night at eleven
I'll call my Zeppelins out
Und declare war on heaven.
I wouldn't ask from you,
But it can be plainly seen.
Dot when Edison pushes dot button,
I got no submarines.—Ex.

HARDWARE STORE NEWS ITEMS.

We are much pleased with our trade on sweat pads. It is our first season selling this item but our sales so far have been very gratifying.

We have three or four specially good bargains in disks. Some were carried over from 1916 and will be offered at less than present wholesale prices.

Why don't you try some of the Johnson Carbon Remover in your Auto Engine? The expense is slight. It is claimed that 80 per cent of your engine troubles are caused from carbon. Try some—If not satisfied—your money back.

We thought we had sufficient Dynamite contracted for to last us during the entire season. We find that we haven't. We can maintain our present price of 25 cents only until June 10th. After that date 30 cents will be our price.

We have but one Black Hawk Check Row Corn Planter left at this writing. The wholesale price is up. Our price is still \$50.00 on this one planter. No more will be bought this season after this one is sold.

We have about 300 rods of the heavy Poultry Netting that we have priced cheaper than the Light Weight Diamond Mesh. If this had not been bought early, the price would be much higher.

We have on hand one Deering Five Foot Cut Mower that is priced at \$52.50. If you need a new Mower better buy early. Present wholesale price is almost as much as our retail price.

We expect a car of Cherry Crates in within a few weeks time. We would appreciate your crate business.

Our present price on Storm Proof Barn Door Track is two cents per foot less than wholesale.
